VOLUME NO. 34.

WHITESBURG, LETCHER COUNTY, KENTUCKY, THURSDAY EVENING, MARCH 20, 1941.

NUMBER 30

OFFICIAL STATEMENT OF

HERMAN C. COMBS

HERMAN C. COMBS, Candidate for Sheriff
If nominated and elected I will do all I can that a standard of efficiency may be obtained. Your confidence will be maintained. Your support and influence appreciated.

HERMAN C. COMBS

Nine Moonshine Still Confiscated

Nine moonshine stills, with a total daily capacity of 395 gallons, were found and destroyed by State Department of Revenue field representatives during February, it was announced by Distilled Spirits Administrator, George T. Stewart. These stills represented a potential tax loss to the State of a little over \$100 per day," Stewart said.

In addition, field men destroyed 119 gallons of moonshine, 1625 gallons of mash, and 53 gallons of "doggings" retrieved from empty barrels from distilleries.

Confiscation of whiskey that was either untempered or illegally possessed amounted to 260 cases, Stewart pointed out that such whiskey would be sold for over \$2,500 to Kentucky wholesalers and rectifiers under sealed bids.

Mrs. John C. Black has returned from Chattanooga, where she visited friends and relatives. While there she went to see "Gone With The Wind."

Add Gibson, Democrat, Announces For Jailer of Letcher County

TO THE CITIZENS AND VOTERS OF LETCHER COUNTY:
This is my formal announcement of my candidacy for the office of Jailer of Letcher County on the Democratic ticket.

You will recall I ran for this office four years ago but was defeated by a small majority. In this race I am asking the support of every voter and it is through your assistance that I hope to win the nomination.

I promise that if elected to this important office that I will deal fairly and honestly with all men and will make you an officer to be proud of.

As to my record: I have been a miner, being knocked out on account of an injury in 1932. Since that time I have labored at whatever I could

F. F. A. Chapter Appears Before Local Rotary Club

On Friday, March 7, Mr. Jerry Johnson had charge of the local Rotary program and presented to the club, President Harry Caudill presided over the club in action and went through the regular procedure of opening, discussion, general business and closing of the Chapter. Around 16 fine young men composed the Chapter and it could easily be seen that plenty of talent was in evidence. Besides farmers the writer could see future community leaders such as teachers, lawyers, doctors, lawyers, musicians and business men. There is nothing too good for young men of this type and our citizens should give them every support and encouragement.

Steve Caudill, Ermine, was an Eagle caller on Monday of this week, for the purpose of sending the paper to his father at Blackey, Isaac D. Caudill.

Add Gibson, Democrat, Announces For Jailer of Letcher County

get for a living. My home is at Mayking where I have resided all of my life. In 1916 I married the former Miss Elsie Kincer, daughter of Uncle Bill Kincer of Cran Creek, and to us have been born five children. I am the son of the late George Gibson, also a lifelong resident of Mayking.

I am in this race because I need the office in order to help support and educate my family and I will be truly grateful for any and all support during now and the primary election. I hope to meet and talk with all of you between now and August 2, 1941.

In the meantime please give me your support for this office ever consideration.

Quota Reached for Draft Selectees Until June 30, '41

Local Draft Board members are in receipt of information from State Headquarters for Selective Service that this area has already reached the manpower quota for its Army and Navy for the period which is to end on June 30, 1941. Unless some emergency arises, no additional registrants will be called until after June 30. Additional registrants will not be ordered to report for physical examination nor will blood tests be made at this time.

This community has had a high percentage of enlistments which apply as credit on the quota allotted under the Selective Service System.

This order applies to both Local Boards, Nos. 101 and 102.

Mr. W. P. Nolan is celebrating his birthday this year by driving a new Pontiac 'eight'. The car boasts all the "extras."

Radio's Contribution As An Educational Medium

J. T. BLAIR
(Below is printed the essay written by J. T. Blair, winning the contest sponsored by the Ky. & W. Va. Power Co.)

Radio is a very complicated machine which serves as a dictionary for the education of girls and boys. Radio teaches the use of correct English by putting it into correct audible usage.

History is put into drama and thus helps everybody to remember it better than if they just read about it. The best drama of the ages is presented. People who live in the country rarely ever have the opportunity to see any drama; but through the help of the radio they hear some of the best.

We learn what is happening in every nation of the world every day over the radio.

The best music in the world is broadcast over the radio. If people are where they can't go to church on Sunday they may listen to men preaching sermons over the radio. Thus you see it helps in spreading Christianity.

Farmers who live where they are not advised by a county agent may learn many valuable facts by listening to the radio.

We are informed of the latest inventions and discoveries made by science.

Radio aids us in choosing the kind of schools we want. It helps us in selecting the occupation that we are best qualified for. It also aids us in carrying on business.

After taking all this into consideration I believe Radio is the most important agent in contributing to education and helping to keep it in progress.

J. T. BLAIR

Parole Violators Returned to Prison

According to Parole Officer Lawrence Brannham, Bob Neece, of Neon, is being returned to La Grange, Ky., to complete the five year term to which he was sentenced at the April Circuit Court, 1937. Placed in prison, he was soon eligible for parole and obtained his freedom under terms of the parole board. He is being returned, Mr. Brannham says, because of being drunk twice. Two violators are also being returned from Pike County.

Mr. John A. Webb, well-known Letcher County man, who has only lately become a blue grass farmer, was in Whitesburg this week shaking hands with his old friends and relatives. Mr. Webb looked like a farmer. We mean with that ruddy complexion and all.

Boyd Boggs, Roxana, Speaks To Voters Of Letcher County

(Subject to the Democratic Party)

TO THE VOTERS OF LETCHER COUNTY:

I, Boyd Boggs, candidate for Jailer of your county, am asking every man and woman for their support in this campaign and if elected I will do everything in my power to treat every one that comes into my custody, both rich and poor the same and I promise the people of this county if I am elected I will furnish the Jail with clean bedding and sufficient cover, and will keep it so as long as I am Jailer. I will also see that every one in my custody gets plenty to eat at all times, and I will also keep every thing that is in my charge clean and sanitary at all times. I promise the people who get in jail, if at any time I can assist them to see an attorney or the Judge I will do so.

I am asking every man and woman to investigate my past record and to ask whom they may about it, and see if I am telling you false, just to get in this office.

I am a poor man and have been raised up an orphan boy, but honest, thank God. I am the son of Will Boggs, born and raised at Roxana, Ky., born Dec. 30, 1897. My mother died in 1900, when I was a mere boy. There were nine of us, small children and my father, being a cripple and a renter, caused all of us kids to come up the hard way, getting by the best we could, up until May, 1916, when I joined the State Guard at Whitesburg, Ky., and went to Texas for a three-months training, then was mustered out into the Regular Army. In 1919 I went overseas as first sergeant of Co. D, 149th Infantry and stayed until July, 1919.

I belong to the American Legion at Whitesburg, Ky., Post No. 162, and I am asking every Veteran in Letcher Co., both Democrats and Republicans, for their full support in this campaign, as I have never failed to support any Veteran that has asked for office since I have been out of the service.

And I am asking every man and woman to investigate my Army record; also my record since I have been out of service and study it and see if you can turn your friend down who stood by you in time of need. I know I haven't had the chance of other boys, to get a high education, but I am sure I have had enough experience in my growing up to do every thing that is right and honest and to treat every man, woman and child right, and if I am elected I will continue to do so, so help me God.

Please, good Democrats and Republicans of this County, I am begging for your support and help for these next four years, as this is the first time any of my people have asked the people of this county for their help in an election, and before the election I want to see every man and woman in this county and ask them to vote for me on August 2nd and I am sure your vote and friendship will be highly appreciated. So I am telling the people now if I am elected Jailer of this county, which I believe I will be, when you come to town, come down to the Jail and see your friend, BOYD BOGGS.

On Monday, one of our good Linfork citizens, Harrison Cornett, came in to subscribe to the Eagle for a year.

EMMETT G. FIELDS ANNOUNCES FOR COUNTY ATTORNEY

EMMETT G. FIELDS
TO THE PEOPLE OF LETCHER COUNTY:

I hereby announce that I am a candidate for the office of County Attorney, subject to the action of the Republican party at its August Primary. Your support will be appreciated.

EMMETT G. FIELDS

Edgar D. Webb, 28, Passes at Fleming Wednesday, Mar 19

Edgar D. Webb, 28, passed peacefully to the Great Beyond on the Fleming Hospital at 6 o'clock Wednesday morning after a brief illness, though ailing for the most part of his life. A son of Burdine Webb, Sergeant, Edgar is survived by his widow, the former Bonnie Shores, three sisters, three brothers, besides his father, all of Sergeant, another brother married, and a sister married.

Edgar returned from Cincinnati a week ago rather ill, being unable to continue his work in a bakery. He grew much worse and on Sunday Dr. D. V. Bentley was summoned. He advised immediate removal to a hospital, in as much as appendix trouble was shown, besides other complications.

In the hospital an operation seemed hopeless, peritonitis, from a ruptured appendix indicated. A little later pneumonia came, and Edgar was unable to combat all these, death, the common fate of all, intervened with his death on Wednesday morning.

Edgar was loved and admired by all. If he had an enemy in the world I never knew it.

HIS FATHER.

Years ago he professed a hope in Christ, was baptized into the Baptist church and was devoted to the church and the work of the Lord ever since.

Funeral from the home on Thursday morning. Burial beside his mother in the Bastin Cemetery. His mother died nearly twelve years ago.

It is expected that Eld. G. Bennett Adams, Marion Blair, Monroe Hubbard, Duncan Powers of Wise, Va., and perhaps others will be in the last rites.

NOTE: Only a week ago today the Mountain Eagle was honored by a visit from young Webb, who had only been back from Cincinnati a short while.

CARL CONLEY, CROMONA,
ANNOUNCES FOR SHERIFF
Cromona, Kentucky, March 16, 1941
TO THE VOTERS OF LETCHER COUNTY:

I hereby wish to make my announcement for Sheriff of Letcher County, subject to the action of the Democratic party at the August primary election.

You will recall that I was a close contender for this same office 4 years ago, losing by only 19 votes.

I will appreciate any help and support you can give me and I will try to make you a Sheriff that Letcher County will be proud of. I will try to put good sober deputies that will enforce the law lawfully.

Thanking you for your support, I remain, sincerely,
Your friend,
CARL CONLEY

Number of Quail Increasing in Ky.

The Bob White Quail, a game and insectivorous bird in the state of Kentucky, is showing up in abundant numbers in almost every section of the state according to reports which have come in to the Division of Game and Fish officers in Frankfort from interested farmers, conservation officers and the general public.

After putting all the information together and sifting out the most important item it was learned that more quail were seen after January 1, of this year, than had been located during the entire past hunting season by the nimrods.

With this encouraging news and with ideal winter weather for wildlife this bit of news should mean that there will be a big population to carry on the reproduction and restocking program in Kentucky this spring and summer.

Verily, this is a mechanical age. An inventor is working on a "courtship" machine intended as a substitute for wooing. No flowers, no candy, no shows nor car rides. Just press the button and the wedding bells will ring.

The American Legion

McClelland Anderson Post No. 104
Neon, Kentucky
March 15, 1941.

RESOLUTION

BE IT RESOLVED: That this organization is appreciative of the work being done by the National Youth Administration in this community under the leadership of Mr. Arthur Venters. Our interest enters into the matter from a standpoint of a unified desire to promote and foster youth activities in schools, gymnasiums and recreational centers.

Now then, whereas, under the leadership of our townsman and friend Mr. Arthur Venters, this work has progressed satisfactorily and beneficially to the best interests of the community. The information is that Mr. Venters is about to be relieved of the supervision of these activities and by a unanimous vote of the membership of this Post we desire to go on record as disapproving any action that would relieve him of the supervision of the present set-up in the Recreational Center.

THEREFORE, Be It Resolved that the authorities in charge of this government agency be petitioned to retain him in his present duty as Supervisor of the Neon Project, and that a copy of this resolution be caused to receive publication in the county weekly papers and that a copy of same be submitted to the State Office of the National Youth Administration of this State.

Be It Further Resolved that it is the common knowledge and personal information of the officers of this Post that the youths now working under the leadership of Mr. Venters are entirely in unity from a welfare standpoint and their performance under him is in evidence. Viewing the situation from probable losses of local gymnasium activities at the Neon-Fleming High School we are urged to prevail upon

his retention.
BY ORDER OF THE
COMMANDER,
J. M. JOHNSON
ATTEST:
J. B. MCAULEY,
Adjutant.

MASTER COMMISSIONER'S SALE

To raise the sum of \$181.12, in the case of Jesse Hyton, Plaintiff, vs. Mary Jane Rites Arnold, and her husband, Ray Arnold, defendants, Equity action No. 5508, pending in the Letcher Circuit Court, as directed by judgment entered in said court on the 17th day of January, 1941, I will sell the following described property or a sufficiency thereof for that purpose, at public auction, at the front door of the Court House in the City of Whitesburg, Letcher County, Kentucky, at one o'clock P. M. April 7th, 1941, on a credit of six months, the purchaser to execute bond with good surety for the purchase price, bearing interest at the rate of six per cent per annum from the date of sale until paid, having the force and effect of a judgment, no reply to be allowed in the event an execution shall be issued thereon, and a lien will be retained on the property sold as a further surety, to-wit:

A certain tract or parcel of land situated in Letcher County, Kentucky, on Elk Creek, a tributary of the North Fork of Kentucky River, and bounded and described as follows, to-wit: BEGINNING on a beech tree, the beginning corner of the Joe Brown tract, thence up main Elk Creek as it meanders to the top of the hill in the main head of the creek at Kelly Francis line, thence with same to C. C. Hyton line, or now the line of the Carrs Fork Corporation, thence with same to Bony Jean's line and down the dividing point between the forks of Elk Creek with Kelly Combs' line to the land of Floyd Back; thence down the mountain with said Back's line to the beginning. So as to include all the land in the J. D. Blair tract in the head of Elk Creek as you go up said creek. Containing 160 acres more or less and all situated on the left hand side of said creek as you go up. EMMETT C. FIELDS, Master Commissioner, Letcher Circuit Court.

MASTER COMMISSIONER'S SALE

To raise the sum of \$436.31, in the case of G. C. Branson, plaintiff, vs. Silas Caudill, et al, defendants, Equity action No. 5618, pending in the Letcher Circuit Court, as directed by judgment entered in said court on the 10th day of January, 1941, I will sell the following described property, or a sufficiency thereof for that purpose, at public auction, at the front door of the Court House in the City of Whitesburg, Letcher County, Kentucky at one o'clock P. M., April 7th, 1941, on a credit of six months, the purchaser to execute bond with a credit of six months, the purchase price for the purchase price, bearing interest at the rate of six per cent per annum from the date of sale until paid, having the force and effect of a judgment, no reply to be allowed in the event an execution shall be issued thereon, and a lien will be retained on the property sold as a further surety, to-wit:

A certain tract or parcel of land containing about 214 acres situated, lying and being in Letcher County, Kentucky, on Big Lucky Branch, of the North Fork of the Kentucky River, and bounded and described as follows:

BEGINNING: At a corner of a 160 acre survey made in the name of John Dixon, on the West side of Big Lucky Branch, about ten poles from said branch on a point above the first drain of said branch on two Black Gums and Beech; thence with a line of same reversed, S 2 W 10 poles to a stake; N 57 E 40 poles to a stake; S 43 E 50 poles to a stake; N 50 E 30 poles to a stake on top of a spur between the spur and Little Branch; thence up the spur, East 9 poles to a stake; N 79 E 14 E 12 poles to a hickory and chestnut oak corner of a 75 acre survey made in the name of Polly Ann Frazier; thence up the spur with same S 88 E 12 poles to a black oak and black gum; N 84 E 36 poles to a hickory and chestnut; N 39 E 16 1-2 poles to a chestnut oak and dogwood; N 31 E 6 poles to a chestnut oak; N 25 E 34 poles to a black gum and chestnut; N 64 E 1-2 E 20 poles to a white oak; N 29 1-2 E 20 poles to a white oak and dog wood; N 41 W 6 1-2 poles to a chestnut; N 50 E 1-2 W 20 poles to a black oak and hickory; N 57 W 12 poles to a hickory; N 41 W 13 poles to a hickory; N 47 W 10 1-2 poles to a hickory; N 43 W 17 poles to a white oak; N 56 W 9 poles to two hickories in a low gap; N 50 E 34 poles to two hickories and black oak; N 75 W 15 poles to a chestnut; S 83 W 10 poles to two black oaks and maple at a cliff of rock; N 72 W 9 poles to a locust and pine; N 83 E 2 W 17 1-2 poles to a black oak and hickory on top of a ridge S 87 W 20 poles to a chestnut oak; the last marked corner of a 160 acre survey made in the name of Farish Hogg; thence with the top of mountain; S 86 W 22 poles to a stake; N 59 W 14 poles to a stake; S 85 W 8 poles to a hickory and dogwood; S 81 W 10 1-2 poles to a squarewood and dogwood; S 72 1-2 W 18 poles to a chestnut oak and three squarewoods on top of the mountain; S 41 W 10 1-2 poles to a black oak in the line of a 100 acre survey made in the name of John Dixon, and with said survey; S 63 W 16 poles to a white oak and hickory; S 54 W 13 poles to three ironwoods; black oak and hickory; S 11 E 28 poles to three white oaks; S 24 E 14 poles to a large white oak; S 41 E 24 poles to a chestnut and white oak; S 25 E 16 poles to a white oak, maple and dogwood; S 11 E 30 poles to the beginning, containing 214 acres.

Being the same land conveyed by Morgan T. Reynolds to Silas Caudill, by deed dated September 28th, 1928 and recorded in Deed Book No. 69 at page 549, records of the Letcher County Court Clerk's Office.

ALSO:
A certain tract or parcel of land lying in Letcher County, Kentucky, and described as follows:

Situated on the North Fork of the Kentucky River, near the mouth of Big Lucky Branch of said river, and bounded by said North Fork of the Kentucky River, and by the lands of Green Cornett, Lilly Cornett, and by the lands of the heirs of Old Isaac, deceased, and by the lands of Fulton Whitaker and Stephen Whitaker. Said tract of land contains about 25 acres. Being the same land conveyed to first party herein by Anne Cornett, by Deed of April 18, 1924, and recorded in Deed Book No. 66, page 69, Records of the Letcher County Court Clerk's Office. EMMETT C. FIELDS, Master Commissioner, Letcher Circuit Court.

Hitler is doing such a good job for him the devil can take a vacation and not be missed.

Turtles and trailer dwellers carry their homes with them and exist care free and tax free.

AIR'S FREE

so why not use it?

GETTING right down to it, one reason why you get as much as 10% to 15% more miles per gallon from a 1941 FIREALL Buick with Compound Carburetion is that this engine is supplied with more air.

For it is a mixture of gasoline and air that gives you power.

A single carburetor, no matter how many jets it has, can handle only so much air.

But two carburetors that function as needed, as is the case in Compound Carburetion, can meet any fuel-supply need from low-speed to heavy-power use — and always provide a well-balanced mixture.

They can double the air supply as well as the gasoline feed — and that's something you can't do in any single-carburetor car.

So Compound Carburetion gets as much as 800 miles for the gas-cost of 700 in earlier Buicks of the same size.

It also provides a wallowing big bank of reserve power, which means an up-and-down lift and surge that's nothing short of thrilling to experience.

And you can have Compound Carburetion, you know, on any 1941 Buick — it's only a few dollars extra on the swell big SPECIAL pictured here, and standard equipment on all other models.

Letcher Co. Council Of Adult Education Meet at Mill Branch

For several days our community and school had been filled with enthusiasm from having heard that we had been selected to be host to the Letcher County Council of Adult Education. In school we talked of all the various communities and even towns and cities that would do us honor by sending representatives to our little community for this meeting. We wondered just how we could receive this group and really convey to them our feeling of pride over having been thus honored.

Our local adult teacher, our regular teacher, our P. T. A. and 4-H Club leaders and members in unison decided to set a supper for the occasion and have the supper and program combined in our lunch room.

Early on February 19, the day set for the program, our ladies of the P. T. A. met and began preparations for the feast. Since we are endeavoring to help our County Agency stress the "Live at Home" program our 4-H Club workers decided to build the menu as much as possible to carry out this idea. Several fine fat hens soon made their appearance, wanting to be dressed. A bushel or two of potatoes next appeared, followed by canned green beans, cream, butter,

and different kinds of delicious fruits. Early in the morning one visiting adult worker with his wife arrived from Kingdom Come. They remained throughout the day, observing with others who dropped in from time to time he work in the school kitchen, the school displays, our library of a few hundred volumes that we have received chiefly through the goodness of the "Save the Children Foundation" and other work in general.

Our schoolrooms were both open all day to receive guests. About four o'clock in the afternoon the others began to arrive and soon all the invited guests with scores of other visitors were with us. An hour or two of games and a general get-acquainted session was followed by some splendid demonstrations. Two of our 4-H Club boys showed very skillfully how to graft fruit trees and showed they knew their business by answering all the questions asked. Our Adult teacher, Mr. Herman Caudill, showed in a very interesting manner how to reclaim old and worn-out books by rebinding them with materials almost without cost.

By this time the luncheon was in order and some seventy-five guests were seated. Our 4-H Club girls, Misses Dovie June Caudill, Dana Davis, Daina Davis, Ina Mae Whitaker, Evadene Ison and Mattie Lou and Mary Frazier served each a plate of creamed chicken, creamed mashed potatoes

and green beans with fruit salad and cake for desert. Adult teachers James Wright, Howard Caudill, Elbert Hart, Arlie Brown, John Quincy Adams, James H. Adams, Ted Adams, Watson Caudill, Herman Caudill and Lillie Bogg, representing practically every section of the county stood, introduced themselves and those with them and said a word regarding their work.

Miss Thelma Raggsdale continued the program with a well-told, well-chosen Bible story, typical of the work being carried on by the Mountain Mission workers in the public schools.

Our County Agent, Mr. Hugh Hurst, gave a short but highly interesting talk centered around the "Live at Home" idea. He stated that the three R's of yesterday were now supplemented by the three B's of today, Bread, Butter and Briches.

Mrs. Hurst also appeared with her usual pleasant smile and cheery greeting. Our County Superintendent, Mr. Watson Webb in a very forceful way spoke of the impending amendment to the State Constitution and he great good the passing of this amendment would bring to our less fortunate counties. He stated that these Mountain counties in reality formed the backbone of the State and that were it not for the filtering of population from these counties into the large centers of Louisville and other centers in the

Blue Grass Region, these centers would eventually depopulate themselves.

Our friend, Edison Lewis, area supervisor of Adult Education, talked briefly of the program he was directing and of his previous visits to Mill Branch. He then introduced Mr. Hudson, State Supervisor of Adult Education, from the Louisville office, the principal speaker. His address was inspiring, pleasant and timely. He said, that the Mountain He reiterated what Mr. Webb region was the backbone of the state. Throughout the meeting good humor prevailed and we only hope everyone enjoyed the occasion as much as we.

With the song, "God Bless America" and benediction by Mrs. Raggsdale, our very helpful Sunday School teacher, the meeting was closed and the curtains of night enveloped in darkness and silence once more our little school building where hustle and bustle had reigned.

HARGIS CAUDILL.

Fiscal Court Pushes W. P. A. Work In Letcher County

The Fiscal Court of Letcher County met in session Tuesday of this week, transacting the fiscal affairs of the county and in this session they made arrangements whereby the steam shovel, located on Cowan and which has been sitting idle for the past month, due to lack of WPA funds, is to be used further on this road, having rented it for the further construction of the Cowan to Dry Fork road.

The Fiscal Court is making arrangements to pay for the rental of this shovel, which is to be \$400.00 per month. This will assure a continued construction of the Cowan Creek road and it is hoped that the good citizens who live along this road beyond where this present road is constructed will be liberal for right-of-way and charges against the county for the land used in the construction of this road.

The Fiscal Court further asks for the construction of the Kings Creek to Ingrams Creek to Linefork road and unanimously requested the State to put forth every effort in the building of this road leading down Ingrams Creek to Linefork.

Besides the above, many claims were paid and other matters of interest of the county were looked after.

Spiritual Integration

By Rev. Kenneth Clay

Life can be happy and full of joy from childhood through old age if it is rightly lived. Mr. John Doe is now an old man but he is supremely happy. Many years ago he learned the secret of happiness. Every morning at a given hour he walks down the street to his office, turns the key in the lock opens the door, and walks in for a busy day. After a number of hours of consistent work he closes the office, goes out for a hike, to play tennis, croquet, chat with the group on that corner, or some other form of recreation. Regardless of how busy the week has been he is never too tired but what Sunday morning finds him at his place at Sunday School and church. Frequently he attends other services of the church.

For every person who has learned the success of happiness, as Mr. John Doe has, there are thousands who have never learned the first principle of happiness, and never will. There is a reason why they have never discovered this secret, and too often it is caused by an obstructed vision. This vision may be limited because of an increasing spirit of "selfishness." Selfishness robs the soul of its life-giving sources. This is very clearly seen in that marvelous confession of Olive Schreiner in "The Story of an African Farm." She pours out her heart in this bitter cry. "Why am I alone, so hard, so cold? It is eating my soul to the core. Self, Self, Self! I cannot bear this life! I can't breathe! I cannot live! Will nothing free me from myself? I war, something Great and Pure to life me to its self."

Of just what this selfishness consists I do not know, for it is not the same in every case. To some it may be earning a dollar, having a good time, or many other things. In each case it is the obsession of one particular phase of life excluding to a large extent all others except where absolutely necessary. Such a soul can not be expected to be happy. To resume a normal, healthy and happy life there are three essentials which cannot be overlooked. They are as follows: A place to work, and a time to work; a place to play, and a time to play; a place to worship, and a time to worship. A proper combination of these three is a cure for many of the ills now prevalent in our country. Yes, in our country, and town.

Americans eat two billion pounds of onions per year, that ought to keep the Germans away.

You can't make carpenters out of poker players. Carpenters don't care where the chips fall.

There's nothing unanimous in this country. Not all the people hold government jobs.

An x-ray machine has been perfected that is so powerful that it can make a picture through several inches of steel—However, it isn't claimed to be powerful enough to penetrate some craniums.

Jenkins Social Notes

By
Mrs. Esther HilsenbeckStyle Show
Coming Soon

Mr. Paul Ashcraft, our congenial manager of stores, has been quite busy this week, making arrangements for the spring style show, sponsored by the Jenkins store, to be given in the Jenkins theatre, the evening of March 29th and at McRoberts March 21st. The latest styles in all types of clothes will be modeled by women and children selected by Mr. Ashcraft. Miss Irma Shuffelbarger has been chosen narrator.

Jenkins Woman's
Club Meets

On Wednesday afternoon, March 27th, at 2:30 at the club house, the Jenkins Woman's Club had a most interesting meeting. A large number of members were present and much business was disposed of. A spaghetti supper was planned for Friday evening, March 14th at the club house, with Mrs. E. F. Shepherd in charge.

Plans for a party and banquet were discussed, final details to be given later. At the close of the business session, Mr. A. G. Thompson delighted all with a very lovely vocal selection, after which Mrs. Frank Merrill, our President and Mrs. Allison Willis, our secretary, adjourned the members to the recreation building for refreshments.

Mrs. W. D. Doolittle and Mrs. Herbert Hubbsman.

Entertained On Monday

Mrs. Gilbert Johnson entertained with a bridge luncheon at 1 o'clock at her home on Monday afternoon, March 27th honoring Mrs. W. D. Doolittle and Mrs. Herbert Hubbsman.

Mrs. Lawrence Kelly won the high score prize and the hostess gave a prize to each of the honor guests.

Those enjoying this lovely hospitality were: Mrs. George Doolittle, Fairmont, West Va.; Mrs. Herbert Hubbsman; Mrs. Lawrence Kelly; Mrs. Margaret Stump; Mrs. Edwin Shepherd; Mrs. Arch Smith; Mrs. Frank Price and Mrs. Marshall Prunty.

Fellowship
Dinner Given

The Brotherhood organization of the Baptist Church were served a fellowship dinner in the basement of the church Friday evening, March 27th at 7 o'clock. The women of the church, under the leadership of their social chairman, Mrs. Luther Bowling, certainly did prepare delicious food. A large number of men were present and a fine spirit of fellowship prevailed. A nice program was enjoyed.

The women of the Baptist Missionary Union will meet Wednesday and Thursday afternoon at 1 o'clock at the church to sew for the Red Cross. Mrs. Roy Ison, President of the organization is a tireless worker and under her leadership these women have accomplished much.

On Wednesday evening the newly organized choir of the Methodist church had a very fine rehearsal at the home of Mrs. S. J. Polly on Lakeside. Fifteen members were present and special music was pre-

pared for the morning service. This added greatly to the beauty of that service and was well rendered. Rehearsal will be held this week at the home of Mrs. J. B. Hilsenbeck, at which time Easter music will be practiced.

Private Charles A. Mullins, whom many of our readers will remember as a former Jenkins boy, left his army duties on a ten-day furlough at Christmas time and during that period of time was taken ill. He was rushed to the hospital at Clintwood, Va., later removed to Huntington, W. Va. and was finally taken to the Walter Reed Hospital in Washington, D. C., where he underwent a very serious operation. His many friends will be glad to know Charles has recovered nicely, and has returned to his secretarial duties. He is located in Baltimore, Md.

Mr. and Mrs. O. O. Parks spent the week end in Jackson, Ky., guests of Mrs. Parks' sister.

Mr. C. B. Adams, district key man of the Masonic Order, and Mr. A. W. Boggs, district inspector, went to Pikeville Friday night, March 7, for the purpose of inspecting that lodge. They report a splendid meeting and a fine banquet.

Mr. and Mrs. Smedley and daughter, Betty Lee, together with Lois Cooper Adams, motored to Lexington for the week end, the guests of Mr. Smedley's parents.

Mr. Fred P. Entler, who is now located in the finance office at Camp Lee, Va., will be in town the week end of March 10th and will preach at the morning service of the Methodist Church. His many friends will be glad to hear him again.

Wake Lazy Insoles
All-Vegetable Way

Here's a laxative that generally acts thoroughly, but is a gentle purgative if used by simple directions. Take BLACK-DRAUGHT at bedtime. There's usually time for a good night's rest. Morning generally brings a thorough evacuation; relief for constipation's headaches, indigestion. Try spicy, aromatic, all-vegetable BLACK-DRAUGHT. It's economical, too! 25 to 40 doses, 25c.

Epidemic of
Cold Symptoms

66 Liquid or 666 Tablets with 66 Salve or 666 Nose Drops generally relieves cold symptoms the first day. Adv.

Army Openings
In Air Corps
Ground Units

The War Department has authorized the Fifth Corps Area Headquarters to accept 1400 additional three-year enlistments for Army Air Corps ground units, it was announced today.

The men will be sent to stations in Ohio, Indiana, Kentucky, North Carolina, Oklahoma, New Mexico, Georgia, Maine, Louisiana, Idaho, Washington, Arizona, Texas, California, Florida, Nevada, Connecticut, Mississippi, Virginia, New Hampshire, New York, Oregon, Utah, Michigan, and Massachusetts.

All men enlisted for these assignments must have a high school education or a journeyman's rating as a mechanic. The War Department stresses the desire that every man accepted also should be qualified for study courses at Air Corps schools. All men so qualified may attend one or more of these schools sometime during their three-year enlistment.

The schooling and experience which these men will receive during their enlistment will enable them to obtain worthwhile positions with good pay if they desire to continue in the Army as a career or if they desire to return to civilian life at the end of their three years, they will be qualified for well paying positions with civilian airlines and airplane factories.

Many do not realize that it requires ten men or more, on the ground for each plane in the air! Most are highly trained specialists and their pay is exceptionally good.

Details are available at all Army recruiting offices.

Army Flying Cadet
Examinees Urged
To Try, Try Again

"If once you don't succeed, try, try again," was the advice given today at Fifth Corps Area Headquarters, Ft. Hayes, Columbus, Ohio, to Army Flying Cadet aspirants who failed the last educational examination.

Failure to receive the 70 per cent passing grade in one examination in on sense disqualifies applicants from entering the next examination, it was pointed out. Examinations are given by appointment every 30 days at Columbus, Ohio, Louisville, Ky., Indianapolis, Ind., Cleveland, Ohio, and at Dayton, Ohio, and the next is scheduled for May 13-15.

The educational examination is designed to qualify for Flying Cadet appointment those youths who lack two full years of college credits but who have met other requirements. High school graduates as well as college beginners are eligible for the examinations which include subjects covered in most high school courses, namely: English, history, physics, geography, arithmetic, algebra, geometry, and trigonometry.

Other qualifications prerequisite for taking the examination are that the aspirant be a physically fit, unmarried, 20 years old and not yet 27, male American citizen at least who has submitted formal application. Application forms may be obtained at any Army recruiting office or by writing direct to the Air Officer, Headquarters Fifth Corps Area, in Fort Hayes, Columbus, Ohio.

with the **low price!**

Streamliner "Torpedo" Six Sedan Coupe \$923* (white sidewall tires extra)

Pontiac
THE FINE CAR WITH THE LOW PRICE

ONLY \$25 MORE FOR AN EIGHT IN ANY MODEL

PERHAPS YOU'VE SEEN the new Pontiac "Torpedo" described as "the Fine Car with the Low Price" and wondered a little bit about that statement. You can accept the "fine car" part without any doubt, we believe—especially if you've examined a new Pontiac.

This "low price" part may stop you, however. Can the new Pontiac—one of the smartest-looking, easiest-riding cars on the road today—

actually be low-priced? Well, here are the facts: Pontiac prices begin at \$628*. A new 1941 Pontiac "Torpedo" will cost you no little more than the "lowest-priced three" that the difference will amount to only a very few dollars per month. What's more, Pontiac's economy of operation and upkeep permits you to drive for practically the same money that a lesser car requires.

Yes, the new Pontiac, with its Body by Fisher,

has earned the title, "the Fine Car with the Low Price." Try a new Pontiac before you put your money in something less desirable.

PONTIAC SALES BEGIN AT **\$828** FOR THE DELUXE "TORPEDO" SIX BUSINESS COUPE. *Delivered at Pontiac, Michigan. State tax, optional equipment and accessories—extra. Prices subject to change without notice.

Letters to the Editor

Mr. W. P. Nolan
Editor and Publisher
The Mountain Eagle

Dear Sir:

I have been reading the Mt. Eagle for quite a few years now and still think it is tops among local papers but we also have one here in the Canal Zone which to our opinion is one of the best published.

Our paper is the "Panama Canal Artillery News" and is published weekly. It is published for the enjoyment of we soldiers of the Coast Artillery here in the Canal Zone but was received with so much enthusiasm by our parents that most of us send it to them each week.

I am sending you one of the latest issues and I am confident you will agree it is one of the best little papers published.

I would like to take this opportunity of saying hello to my friends and relatives of Letcher County and also that I hope to see them all this summer. I am looking forward to seeing those beautiful old Kentucky hills even though it will only be for a few days furlough.

Until then I remain,
A Kentucky hill billy,
P.F.C. ERNEST POWELL
Btry. T., 72 C.A.A.
Fort Randolph, C. Z.

Blacksburg, Va.
March 11, 1941

Dear Old Mt. Eagle:
I've stayed away from the pages of the old Eagle since February 1, the longest time in years. So please find enclosed \$1.00 and let her fly to Steve M. Adams, Blacksburg, Va.

I am here working for carpenter on the Radford Powder plant which is nearing completion. C. C. Ison of Ison Ky. is also here employed as

carpenter. We have had about 12 inches of snow for the past few days but today gives promises of fair weather.

Yours as a reader of the Eagle,
STEVE M. ADAMS.

Shared Prize Money

Enemy vessels, captured by our bluejackets and U. S. Marines in the days of wooden ships, were called "prizes" and the joy of our naval forces in subduing the enemy was often considerably increased by the prospect of prize money.

This practice had been well established abroad before it was adopted by the U. S. Navy. At first, prize money was awarded to naval officers and bluejackets alone, but early in January, 1776, Congress passed a law allowing marines a share in the proceeds obtained from captured enemy ships.

During the War of 1812, the American warship President captured the packet Swallow which had about \$168,000 in specie aboard. The money was brought ashore and deposited in the State Bank at Boston.

It was customary at this time to allot one-half of the prize money to the U. S. Government; the remaining half was divided among officers and men, each member of the crew being allotted a certain proportion of the money according to his respective rank.

While this appeared to be a fairly liberal arrangement, in some cases it was urged that the entire proceeds of the capture be awarded to the victors.

It is probable that few of the vessels captured in the War of 1812 yielded as much as \$168,000. Even if the President's crew received but one half of that sum, it meant a substantial bonus for all the hands.

NOTICE!

This is to certify and notify the public that the undersigned Eulan Salyer has applied for a retail package liquor license for his store located in the Whitaker and Max building at East Jenkins, on Route 42, post office at Jenkins, Ky.

This notice is published in compliance with the State Alcohol Beverage Control Act of the State of Kentucky.

This the 27th day of February, 1941.

BLACKKEY NEWS

Mr. and Mrs. John Back of Cody were the guests of Mr. and Mrs. Jim Whitaker Sunday.

Mr. and Mrs. Bruce Back of Whitesburg visited Mr. and Mrs. T. A. Dixon on Sunday.

Mrs. W. J. Caudill and Miss Marie Caudill have returned from a ten-day visit with Mr. and Mrs. Arch B. Caudill and Miss Harriet Adams of Williamsburg and Mr. and Mrs. George W. Mayhew of Barbourville.

Wintz Jenkins, son of Mrs. J. D. W. Collins and captain of the Stuart Robinson basketball team, was placed on the all-regional basketball team and Delmar Caudill, son of Mr. and Mrs. Herman Caudill of Jeremiah and forward on the team, also received a spot on the team. The Stuart Robinson team, although rated as a little team and the underdogs, proved to their many fans that they could play ball on par with the larger teams. For after all, the game is played for friendly competition and the encouragement of sportsmanship among the players and their supporters which can be said of the Stuart Robinson boys regardless of where they play or who they play.

Mr. and Mrs. Bascom McIntyre announce the birth of their second daughter, Martha, on March 14.

Mrs. Mallie Blair, who has been seriously ill for the past two months, died at her home here March 16. Interment was in the Blair Cemetery Monday. She is survived by four small sons and several brothers and sisters.

Mr. T. S. Moore attended a meeting of the Hazard Presbyterian Church Ladies Tuesday.

Miss Dana Ison spent several days last week in Hazard.

Birthday Celebration

By Mrs. Kathleen Webb

A birthday party was given for Remus Holbrook, at the home of his parents, Mr. and Mrs. Sylvan Holbrook, on March 15, honoring his seventeenth birthday. There were about fifty-three persons present, and Remus received a countless number of gifts and congratulations from his many friends. Delicious refreshments were served by his mother, Vestie Holbrook at nine o'clock, after which the young people resumed their games until a late hour. All present enjoyed the occasion very much, and wished Remus a great many more birthdays. Among those present were Henry Webb, Kathleen and Delores Webb, Evelyn Barney and Mary Howington from Jenkins. Mr. and Mrs. Melvin Holbrook, Julie and Brownlow Holbrooks and Ruby Humphrey, from Ligon, in Floyd County; Maggie Franklin, Cheslie Craft, Estill Meade Ira Craft and Hiram Collier from Millstone; Vestie Fields from Slemmons; and Pauline and Odell Mullins from Haymond. Most of the others present were from Tolliver Town. Young Holbrook is a freshman at Wheelwright High School, at Wheelwright, Ky.

There's one thing people will not take from you—advice.

Tip to presbytery: Short sermons will insure long pastorates.

People used to get up at sunrise. Now some of them go to bed then.

Knowledge like other treasures can be acquired only by digging.

Ky. & W. Va. Power Co Gives Party

The Ky. and W. Va. Power Company, on Wednesday afternoon, as was advertised in last week's Eagle, was host to around 300 Whitesburg men and women. A lovely show was enjoyed, entitled "Blame It On Love." The theme and story was showing how much improvement could be made in the home life by having modern facilities for the home and especially the kitchen showing the advantage of the latest electric range and refrigerator.

The old axiom about "never getting something for nothing" was all washed up in this instance as not only was the show fine but a fine electric roaster valued at about \$20.00 was won by a Whitesburg Miss, in the person of Miss Georgia Frazier who makes her home with Mr. and Mrs. Dan Frazier.

This roaster was a General Electric and was a sight to please any woman and make an almost complete cooking outfit in itself.

On The Whitesburg Gymnasium

From time to time we hear criticism that: "When are we going to get the project to build the Whitesburg Gym?"

Often we set our goal for a certain project and we are thankful to say that we have seen many of them materialize into a reality. And now we feel that it is high time to start hammering on a new slogan, "Let's Build a New Gymnasium for Whitesburg!" During the past year we have seen many of our fine young men hitch-hiking all the way to Fleming in order to practice or play in the Fleming Gym. This is indeed a necessity if our young boys and girls are to grow up in our local schools and take their rightful places in athletic activities.

Nowhere in Kentucky is there a better class of fine young boys and girls and it is a shame that we cannot take our places among the other schools in the way of athletics due to the lack of facilities. A modern gymnasium here would be an asset in more ways than one. It would not only be a training place for all kinds of sports but would serve as a housing for the County Fair which we believe has become a permanent institution in Letcher County. The Home Economics Class could also be housed in this much needed structure and if we understand right has no suitable place for meetings. It would also provide a meeting place for large crowds and banquets. It would serve as seating facilities for plays, where the whole school could get together and entertain the county and district tournaments and this means a great amount of revenue for any town or community.

Around 100 students attend the Whitesburg high and graded schools and at present grade school basketball teams are unorganized owing to the fact that there is no Gymnasium. This condition should be corrected by all means. It behooves every club and civic organization in Whitesburg to get behind this worthwhile project and never stop until the goal is accomplished. Information comes to us that at the tournament held at Vico last week, even though Vico did not have an entry, but they furnished the Gym, their part of the proceeds amounted to \$500, besides all the business houses in that town were crowded to capacity due to visitors during the tournament. Let's wake up folks! Let's arouse our sleep and BUILD A NEW GYMNASIUS FOR WHITESBURG!

Visits Here

Lieut. Klair Back and Mrs. Back came on Monday for a ten days visit with relatives.

Lieut. Back is flying instructor at Montgomery Flying Field, in Alabama.

Birthday Celebrated

Lillian Ray Hawley, of Fleming, entertained her school friends at her home on Wednesday, March 12, in honor of her ninth birthday. Those present were: Phyllis Shaffer, Eunice Hale, Ruth Beach, Sally Jo Shepherd, Betty Joan Reed, Thelma Ruth Mullins, Norma Lee White, Anne Stapleton, Helen Wright Phyllis Sick, Mary Lenoia Little, Mossella Dempsey, Jean Walters, Jackie Kahn, Betty Jo and Mazine Fleming, Joyce Harlow, Mary Jo Johnson, Ruth Johnson, Mary Collier, Bobbie Lewis, Hazel Raines, Ova Ross, Oletta Webb, Delores Estes, Wilma Jean Collins, Christine Adams, Mary Waddell, Josephine Elowitz, Margaret Gomez, Julia Stephens, Jeanette Sumpter, Helen Nichols and Peggy Catron.

Games were played and refreshments were served. All reported a grand time.

Yes, there's plenty of room at the top but ladders are not convenient.

Neon Recreation Center

"All work and no play" is an old saying as we know. So the center is trying to give the children plenty of play after the tiresome hours in classrooms. We have a variety of games for both young and old. Then we have another room in the building which is used for wood carving and carpenter work. We really have some talented children in Neon and the surrounding communities. We wish that each and every parent could come in and see what their children are doing and at least see the wholesome surroundings in which they get recreation.

We heard one 14 year old girl remark, "I don't know what I could do if it wasn't for the recreation hall." So you see the children are very happy while here.

We hope to see more children come to our center, which is operated by W. P. A. and the citizens of Neon.

Junior Order To Present Flag And Bible To Fleming Hi.

The Fleming Council 2591 Jr. O. U. A. M. will present the Fleming high school with an American flag and a Holy Bible at a special program to be given at the high school auditorium on March 28. Eugene Siler, Past State Counselor is to be the chief speaker for the occasion.

"America" invocation

Invocation of Guests speaker: Dr. E. N. Wilkerson Subject: Optional

LAST MEETING: Our new member, C. C. Moxley, gave the club a very excellent talk on the Farm Security Administration. He gave us much instructive matter so we all understand his program better and what he is endeavoring to do for our Letcher County folks. It is gratifying to know the accomplished speaker "Click" Moxley is, and so very young. Yes, a fine speech, Rotarian Moxley.

NEXT MEETING: Mr. J. E. Treasway, Social Security office, Hazard, will be the speaker for this Friday. No doubt we will hear much informative material about the Social Security Act.

SLOAN'S GOING AWAY

After last week's meeting Dr. Sloan asked to meet with the Board of Directors. The purpose was to be placed on the roster as an "Honorary" member, due to the fact that he is going into the Dental Corps of the Army for the National Emergency. How long he will be gone is not known, of course. Had we known that he was leaving announcement would have been made at the meeting Friday. It goes without saying that every member wishes Major Sloan every good luck in his new job.

To the newer members in our club, Dr. Sloan was the FIRST president of the local club; the fact is he was such a fine organizer that the club "drafted" him for a second term—the only man to have served twice as its chairman here in this club.

Goodbye, Rotarian Preston. The best wishes of the club go with you.

ABSENTEES: The only three absent last Friday were Sura Dawahare, Joe Romeo and L. E. Harvie. Sorry, boys, to mark you "not present."

Beauty is not always skin-deep. It is sometimes just surface treatment.

War commentators are resourceful. They can tell us so much that they do not know. Doctors say worry is more damaging to people than work. Why not avoid both?

A keeper of bees says he doesn't "rob" his hives. He just collects income taxes from them.

Any one of the presidents sons could be the forgotten man. All of them have been forgotten.

Only women, birds and trees expose bare limbs in winter. The birds and trees can't help it.

Food A & P Store

Stuart Robinson School News

We were greatly disappointed that, on account of a relapse following flu, Mrs. Ben Knox, of Atlanta, could not be with us for the lovely programs she had planned for March 13 and 18. It is probable that she will not be able to come at all this spring, but we hope she can do so at some other time.

Our basketball team won new honors at the regional tournament in Vico last week and of course we are more proud of the boys and their coach, Mr. Morton, than ever. The team was presented with a beautiful trophy for sportsmanship and two of the members, Wintz Jenkins, of Blackey and Delmar Caudill, of Jeremiah, were chosen as all-regional players.

We are glad to have Mildred Adkins, of Hazard, in school again following her recovery

Fleming Hospital Notes

Edgar Webb, son of Burdine Webb, of Sergeant, died Wednesday morning, due to a ruptured appendix and pneumonia.

Mrs. Ted Fields of Whitesburg will leave the Hospital Thursday with a new baby boy.

Mrs. Isaac Hogg is doing nicely following an appendectomy.

Mrs. Hugh Sturgill is doing nicely following an operation.

Mr. Martin Burklow is unimproved at this time.

Mr. Chas. Haynes is improving nicely.

Dr. and Mrs. E. G. Skaggs of Fleming were pleasant callers at the Eagle Office on Wednesday, giving us a nice order for printing.
